CCDO Advanced Demolition Operative (Topman) Course Details

The CCDO Advanced Demolition Operative (Topman) will have 5 years industry experience and be looking to move towards managing a small team.

The Advanced Demolition Operative (ADO) qualification encompasses all of the roles of the Demolition Refurbishment Operative and also allows for the demolition of load-bearing walls and structures by hand. As well as significant on-the-job experience, a CCDO ADO will have skills training in a range of equipment to undertake demolition works by hand including Safe Oxygen/Fuel Cutting, Working At Height, working to method statements and pre-planned cutting sequences.

The ADO will be coordinated and supervised by either a CCDO Chargehand or CCDO Site Supervisor.

The Course Comprises:

- Legislation
- Hand Structural Demolition
- Temporary Works
- Hot Works
- Confined Spaces
- Behavioural Safety

Plant & Equipment

The [CCDO Advanced Demolition Operative Red](#) card is initially valid for 3 years to enable a period of getting the knowledge obtained to be put into practice. In order to qualify for the [CCDO Advanced Demolition Operative Blue](#) card, the operative must pass the relevant NVQ within a 3 year period.

Who should attend

 Candidates must have at least 5 years verifiable Demolition industry experience. Candidates are required to complete a current Demolition Specialist or above Health, Safety and Environment Test Pass and a Current Approved Asbestos Awareness certificate (not e-learning).

Course assessment and certification

CCDO card and certificate.
