First Aid At Work Re-Qualifying Course Details

The Level 3 Award in First Aid At Work Re-qualifying Course is specifically designed to allow first aiders to renew their First Aid At Work qualification when their certificate is due to expire. Candidates will have the opportunity to practice essential first aid procedures as well as learn the latest techniques for dealing with emergency situations and managing injuries and illnesses in the workplace. All re-qualifying First Aiders must have completed a First Aid At Work course.

What's covered:

- Assessing an incident
- Managing an unresponsive casualty
- Recovery Position
- CPR and defibrillation
- Choking
- Seizures

Who should attend

This course is suitable for any individual who wishes to take on the role of First Aider within an organisation. They must be comfortable being the first point of contact if an incident occurs.

Course assessment and certification

The First Aider Re-qualifier course is assessed with both a practical and multiple choice test.
