ARE YOUR OPERATIVES NVQ QUALIFIED?

Industry Accreditation / 'Grandfather Rights'
deadline fast approaching:

31/12/2024

Industry Accreditation, widely known as 'Grandfather Rights', allowed workers to obtain cards on the strength of an employers' recommendation rather than a recognised qualification achievement.

The Construction Leadership Council have now set the requirement that all CSCS affiliated card holders must have a **nationally recognised qualification (NVQ/SVQ)** by the **31st December 2024**. Therefore, to retain a card from January 2025 operatives must have achieved the relevant NVQ for their card level.

Our NVQs are all delivered by On Site Assessment and Training (OSAT) covering NVQ induction and assessment plan, professional discussion, and site visits.

To find out more, or to take the next step towards qualifying your employees, contact our friendly admin team who will be happy to assist you.
